Company Profile

Elitence o.d. is an internationally recognized translation company based in Serbia and specialized in providing translation services targeted to the Serbian and SEE markets to international clients worldwide. We offer a price-competitive, professional, fast, customer-focused and quality-controlled service.

Through working with both small and multinational organizations and research of the local resource market, we have become a resourceful and flexible translation company with 20+ in-house best-choice professional translators and linguists and 100+ freelance language experts, consultants and terminologists, specializing in almost any industry. Whatever your specific requirements are, we have an expert for you!

We specialize in translation services from main European languages into Serbian and other available target SEE languages (translation, proofreading, localization, copywriting, subtitling etc.) We use the latest hardware and software solutions and the latest versions of various CAT tools (Trados Studio, SDLX, Deja Vu, Star Transit, etc.) and localization and subtitling solutions. Our projects are delivered on time, with the supreme service quality at the reasonable price. And as our services are all VAT-FREE for our customers, you get the best possible quality/price ratio!

Our quality procedures follow ISO 9001 and DIN 2345 standards, as well as EN 15038 industry standard governing translation services.
